

I give my permission to Jeff Schumacher to share this letter with others.

January 8, 2010

To Whom It May Concern:

Jeff Schumacher, Field Agent for the Knights of Columbus in Western Washington, has acted as field agent for District 9 in the northwestern corner of the state during the past two years. He has done excellent work, traveling many miles from his home to serve the needs of Knights in this distant area. His attention to detail, his friendliness and care, his willingness to respond to requests have made a big difference in Knights' knowledge and understanding of their existing policies. Jeff's service has also resulted in many additional policies sold to Knights. Thanks to Jeff, our council has gained the Star Council Award two consecutive years. I recommend Jeff Schumacher without reservation for promotion or for any insurance service position for which he may apply.

Sincerely,

Joseph St.Hilaire  
Knights of Columbus  
Bellingham Council 829
