

**To any fellow Brother Knight and Family.**

I give permission for Jeff Schumacher to release this letter of personal reference to any Knights of Columbus member within the order.

I have been a member of the Knights of Columbus over 25 years. I am a fourth degree member, Past Grand Knight Council 4385, Knight of the Year, accomplished Star Council Award, recruited over 25 members, and more.

I have never witnessed any Knights of Columbus council to establish an emergency fund in order to pay off funerals or big financial tragedies due to death. Our District 14 is at the mercy of field agents such Jeff Schumacher to be greatly encouraging Knights of Columbus families to receive insurance.

I have never before witnessed such a positive and enthusiastic young man that has accomplished many awards in a short period of time within the Knights of Columbus. Field agent and fourth degree member Jeff Schumacher has established three councils, past Grand Knight, Washington State Knight of the Year 2005, Washington State insurance agent of the year 2006, and recently he met with the Supreme Knight.

My District 14 really appreciates field agent Jeff Schumacher and his good works for our members. The KOFC members have provided me feedback of Jeff Schumacher providing positive and informative KOFC financial reviews. I enjoy Jeff Schumacher caring for our members with his heart and encouraging insurance. I especially appreciate Jeff Schumacher following Father McGivney's dream and reaching out to financially protect the wives in case of a necessity or a loss of the breadwinner.

I would like to see field agent Jeff Schumacher improve on spending more time to recruit members for our District. I would like to encourage Jeff to work more with associate members to become insurance members.
